

Access/Mobile Crisis Services Purpose Statement:

To provide swift access to biopsychosocial assessments and crisis intervention for children and adults.

If you are experiencing a mental health emergency, you may walk into the center during business hours to speak with a crisis counselor. We also have crisis counselors available after business hours and on the weekend.

Berkeley Community Mental Health Center is committed to providing the highest quality of care to our patients. We encourage and welcome feedback.

Please contact us at (843) 761-8282 for further information.
